

**November, 2021  
CARO Executive Minutes**

<b>Motion</b>	<b>Date</b>
<p>Move to allow each pair side in Team to do the same obstacle. The new numbering system will be used and the second sign for jump, broad jump, tunnel and weave will have an * and a T to signify a duplicate sign only for Team.</p> <p>Delete and replace the sections on page 67 with the following: CARO RALLY EXCELLENT TEAM (CRXT) Delete “-Each pair side/course must be designed so that each dog/handler pair has either a tunnel, jump, or weave to complete.” Replace with “-Each pair side/course must be designed so that each dog/handler pair has a tunnel, jump, or weave to complete. A single tunnel or a single weave may be used to satisfy the requirements of both dog/handler pairs.”</p> <p>CARO RALLY VERSATILITY TEAM (CRVT) no change as it already has “A single tunnel or a single weave may be used to satisfy the requirements of both dog/handler pairs.”</p> <p>CARO RALLY VERSATILITY EXCELLENT TEAM (CRVXT) No change as it already states “A single tunnel or a single weave may be used to satisfy the requirements.”</p> <p>This rule will be implemented with the new MGH release scheduled for early 2022 as it only relates to course building but requires the new duplicate sign numbers.</p>	Nov 2
