## **Equipment and Ring Set-Up** [https://youtu.be/zdg5O\\_Putn4](https://youtu.be/zdg5O_Putn4)

### All classes:

- Ring area must be marked with a marker in each corner and every ten feet along the sides – 12 markers in total.
- All equipment, markers, boxes and/or lines must be visible to the judge to be eligible to earn a qualifying score.
- All station equipment requirements are listed in the Master General Handbook 2018 or the CARO Working Handbook.

### Regular classes:

- Station signs may be 8.5x11 letter size or half letter size. Signs may be placed on the ground, taped to cones, or in holders
- For station specific requirements refer to the relevant station sign description.
- For obstacles refer to page 98, Annex M: Equipment.
- For Brace increase distance between cones by 12 inches for all cone exercises and between the food bowls in station #30.

### Working class:

- For specific equipment requirements refer to the CARO Working Handbook
- Station signs are not required, except for the signal exercise
- Exercise #4, Directed Jumping, should be placed diagonally.
- Lines and boxes may be tape, pvc, spray paint or rope secured on all 4 corners depending on box required for safety.
- Designated retrieve articles must be numbered and identified on the entry form.
- Cones can be set to the side and moved into or out of pre-marked and measured designated areas if needed. No additional time is allotted, dog can be placed in a sit or down or heel with the handler while the ring is being adjusted. A helper can also be used.
- If both Directed Jumping and Retrieve over jump are selected one of the directed jumping obstacles may be used for the Retrieve over Jump.
- Designated retrieve and scent - Handlers may place the items themselves while the dog stays where they would be when the judge places the items (as described in the Working Class handbook)

### Recording videos: NOTE: Videos and courses may not be shared or posted on social media prior to trial closing date.

- Municipal, provincial, and federal government mandates regarding covid-19 and municipal bylaws regarding leash laws and responsible pet ownership must be followed.
- A links to briefings, course maps and working class requirements will be provided with the confirmation of entry.
- Videos must be clear, stable and recorded from one stationary position.
- Audio must be turned on and the camera must be placed so the judge can hear the competitor.
- Check that the full ring and all lines and markers are visible on video.
- Before starting state what type of collar or harness the dog is wearing.
- Include the team entering and exiting the ring and a minimum of 5 seconds before passing the START stations and a minimum 5 seconds after passing the FINISH station. The full bodies of both dog(s) and handler(s) must be in the video at all times.
- Videos may not be edited except to trim them to reflect the five second requirements.

### Submitting videos:

- Upload videos to YouTube (as "Unlisted") or Vimeo (as "Private") and supply the link to the Judge for judging
- Identify the course, level, stream, dog name, CARO Dog ID and handler name and identify if the run is a move-up.
- Team submissions – submit one email noting both teams' information and copying the partner team.

### Judging:

- Videos will be judged within a few days. The judge will email the competitor a copy of their scoresheet.
